

Chichester Diocesan Evangelical Fellowship **Spring Conference 2016**

Saturday 12th March

09.30 (for 10.00) until 13.00

How do we communicate the gospel to others when so many of us feel 'tongue-tied'? This conference will equip us to think about our faith and to speak for Jesus in a world that desperately needs him.

Originally from Australia, Glen now lives in Eastbourne and is an Evangelist and Director of Speak Life. He is often found speaking at churches and universities, in the studio producing online media or in his office, writing books and other evangelistic material.

Tongue-tied? – Having confidence to speak for Jesus

In your hearts set apart Christ as Lord. Always be prepared to give an answer to everyone who asks you to give the reason for the hope that you have. But do this with gentleness and respect.
