TRINITY is a vibrant and outward-looking Anglican church meeting across 3 sites and 6 congregations in Lewes. In the past 5 years the team at TRINITY has experienced both challenges and opportunities as the existing parishes of South Malling, St. John sub Castro and Southover united into a single Church with one leadership team, one vision, one strategy and one united future. Steve and his team will share their experience of realising the vision, with all the setbacks, encouragements and lessons they've learned along the way.
